EXPERIENCE

Strategy& (PwC) San Francisco Bay Area, CA, USA **Jun 2026 - Aug 2026**

Senior Associate Intern, Private Equity Value Creation - Technology (TMT)

- Built AI-driven cost reduction strategy for major digital-asset management co. through in-depth diagnostic of core business functions and feasibility-impact matrix modelling to prioritize top 10 of 100+ tech initiatives driving \$7M in cost savings
- Drove cost synergy strategy for category-leading e-commerce M&A (\$600M+ revenue) by optimizing software personnel and marketing spend to industry benchmarks over 1-yr integration roadmap unlocking \$12M in savings

Stellaris Venture Partners Bangalore, India **Sep 2024 - Jan 2025**
Pre-MBA Intern - Chief of Staff, Investments (*\$600M+ AUM early-stage tech VC, with investments in Indian & global markets*)

- Developed investment thesis in financial and consumer GenAI by market landscaping, trends analysis & competitor benchmarking to build 50+ deal pipeline and source tech brands, resulting in diversified portfolio for partners
- Led deals analysis to evaluate investment potential & levers (product-market fit, ticket size) via expert calls and market research driving \$3M in deployed capital, including \$1M follow-on in a high-growth consumer tech startup

Bain & Company Delhi-NCR, India **Dec 2021 - Sep 2024**
Associate (Sr.) - Private Equity (PE) Group (2024)

Led 5-10 member teams on 30+ diligences and strategy projects to strengthen Bain's thought leadership for PE funds in APAC

- Architected Japan-focused investment strategy for major PE fund by modeling returns on invested capital & analyzing market reports across 20-yr deal landscape in 10+ sectors; secured client buy-in shaping \$2B fund thesis
- Spearheaded launch of 'Firm Strategy & Tech Operations' product with cross-functional leadership by building business case for fund-level analytics and designing plug-and-play performance-insight dashboards, forecasted at \$3M+ revenue

Associate - Private Equity (PE) Group (2023-24)

Top ~2% associates; only Analyst in PE Group's history to get fast-track promotion to Associate out of 100+ analysts

- Led digital scan of social media giant (1B+ users) by assessing market attractiveness and user penetration for short & long-form content, e-commerce & ads; identified opportunities boosting online growth by 20% (\$20B) in US by 2028
- Designed market entry strategy for a FinTech to launch Singapore's first Islamic Wealth Management hub via an implementation roadmap built on expert calls & consumer survey analytics, enabling \$10B+ AUM opportunity (2028)

Analyst - Private Equity (PE) Group (2021-23)

Received Lighthouse Award 'Rising Ninja - Spirit of Bain' for exceptional contribution to clients & firm's growth in <1 year

- Devised digital strategy for Japan's camping equipment co. by running digital diagnostic across search optimization, traffic channels, UI/UX, and social media to redefine US brand & GTM strategy boosting traffic 20% (\$90M revenue)
- Drove analysis for flagship 'India Venture Capital Report 2023' by structuring research and data framework and evaluating deal volumes, valuations, and sector trends, guiding investor strategy and yielding \$2M+ in follow-on work

J.P. Morgan Chase & Co. Mumbai, India **Jul 2021 - Dec 2021**
Junior Analyst - Corporate & Investment Banking, Research & Analytics

Conceptualized ~10 buy & sell-side M&A and capital raising deals ranging \$200-\$800M across consumer, retail, fintech

- Developed financial model and marketing materials directly with onshore team through data analysis, valuations, profiles & benchmarking research, helping secure a ~\$580M deal for a top North American retail tech client
 - Owned bi-monthly sector newsletter covering 30% of department's deal flow (~\$25B), by synthesizing key consumer tech market deals, trends & investment themes to drive sector intelligence for senior leadership forums
-
